

DONATION CHECKLIST

Our shelter is always in need of different items, and donations allow us to do even more for the animals in our care. If you can't volunteer or foster, donating is another way to help the animals in your community. Starting a donation drive is a great way for kids to get involved. You can ask that gifts be "animal-friendly for birthday parties. School programs can also host "pet food drives" and other events to help the animals in shelters in our area.

Our wishlist is comprised of things we use the most. If you have any questions about things not listed, please do not hesitate to contact us. Donations may be dropped off at the front desk Monday-Saturday 11am-4pm.
