OPEN: Monday-Saturday 11am-4pm

DONATION CHECKLIST

Our shelter is always in need of various items! Donations allow us to do even more for the animals in our care.

If you can't volunteer or foster, donating is another way to help the animals in your community. Starting a donation drive is a great way for kids to get involved. You can ask that gifts be "animal-friendly" for birthday parties. School programs can also host "pet food drives" and other events to help the animals in our care. Our wishlist is comprised of things we use the most. If you have any questions about items not listed, please do not hesitate to contact us!

Donations may be dropped off any time under the overhang (to the left, if facing the front) or in our lobby, Monday-Saturday 11am-4pm
